**ROCKLAND COUNTY BOARD OF ELECTIONS  
[WWW.VOTEROCKLAND.COM](http://WWW.VOTEROCKLAND.COM)**

Dear Voter,

As your County Election Commissioners we would like to introduce you to the new voting system in Rockland County.

The DS200 Optical Scanner is a paper based tabulation system which counts votes cast on paper ballots. Voters fill in ovals to indicate the candidates of their choice and insert the paper ballot through the scanner into a sealed ballot bin.

Please be advised, this is not computerized voting. Once your ballot has been marked, scanned and deposited in the ballot bin, it will be retained by the Board of Elections in the event a re-count is necessary.

We have every confidence in this new voting system and we encourage you to read the enclosed information and share this brochure with other voting members of your family. Log on to [www.voterockland.com](http://www.voterockland.com) for the locations of demonstrations throughout Rockland County.

Please feel free to bring this with you on Election Day.

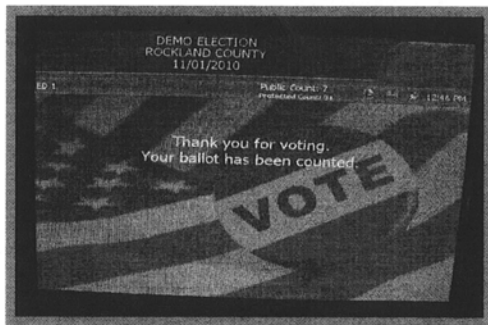

Sincerely,

Ann Marie Kelly  
Commissioner

Louis C. Babcock  
Commissioner

### Its Aims and Goals are:

- To **discover, collect, preserve, record, and catalog** Rockland County genealogical and historical data and to make these records available for study.
- To **prepare and distribute** to the membership a quarterly publication to include genealogical inquiries from members nationwide and worldwide, plus genealogical articles and hitherto unpublished records such as family Bible records, parish records, census records, and collections of newspapers and the like.

### To further these aims:

Our monthly meetings take place on the **fourth Tuesday of the month - January thru May, and September thru November**, at 7:00 PM in the auditorium of the New City Library. We also co-sponsor joint meetings / speakers with other societies and the New City Library.

Society projects include the copying, computerizing, and publication of Rockland County **church, funeral home, state census, and cemetery records**. Since our first volume, That All May Be Remembered, written by Peter Krell was published by the Rockland County Bicentennial Commission in 1976; we have continued to publish other compilations.
